34 Mational Convention

AUGUST 25th thru 28th 1952 NEW YORK CITY

There's No Substitute for Old Grand-Dad

You'll never know how fine a bourbon can be until you try Old Grand-Dad—one of Kentucky's finest whiskies. It goes into new charred white oak casks a superior whiskey. There it ripens until completely matured. Then it is bottled in bond. Enjoy this superb whiskey's smoothness, mellowness and heart-warming flavor soon. Then you will know why there's no substitute for Old Grand-Dad—"Head of the Bourbon Family."

Honorable Donald R. Wilson National Commander The American Legion 1952 National Convention 500 Park Avenue New York 22, New York

Dear Commander Wilson:

I am delighted once more to welcome to New York State the 1952 National Convention of that great organization—The American Legion.

All the people of the Empire State are glad you are coming and 1 know the people of New York City will greet you with open arms as familiar and well liked friends. The City and all its facilities will be at your disposal. I earnestly hope that while the Legionnaires are in our State they will linger long enough to visit some of New York's fine beaches, our magnificent forest preserves, streams and lakes.

We are proud of the Legion in New York as in the Nation, proud of its membership and of its leadership. The people have reason to be grateful to the Legion for its many activities contributing invaluably to the common good.

I congratulate the Legion and add my sincere hopes that the 1952 Convention in New York may be the best and the happiest of them

Sincerely yours,

### The Honorable VINCENT R. IMPELLITTERI

Mayor, City of New York

April 29, 1952 RH

HON. DONALD R. WILSON, National Commander The American Legion 1952 National Convention Corporation 500 Park Avenue, New York 22, N. Y.

Dear Commander Wilson:

It is a happy privilege for me as a Legionnaire and as Chief Executive of our great city to extend a warm welcome to the officers and members of the American Legion who hold their 34th National Convention in our city August 24th to 28th, 1952. I am happy to note that this will be the third time our metropolis is being honored by this great national gathering of the American Legion, the American Legion Auxiliary, the Forty and Eight, and Eight and Forty.

I know that New York's eight million citizens as well as the additional millions in the adjoining metropolitan area will welcome wholeheartedly this great gathering of Legionnaires and their families from all over the nation—and the delegates and visitors from the world over. This meeting will be held at a most crucial time in our nation's history with every American deeply interested and concerned with the action to be taken and the principles to be espoused by the American Legion.

If a keynote is to be sounded for the forthcoming Convention none better can be given than your own recent words when you said, and I quote:

"We who have had the honor of fighting, each in his own way, to preserve what we believe is our country's destiny, are among those who believe it is righteous and just and good to be proud of America, and of her moral and material strength. We would see this strength reactivated to be used in the interest of good all over the world."

In closing, I can only say that New York City will leave nothing undone to provide for the comfort and the convenience of its guests so as to insure that this, the 34th Annual Convention, may be the most successful in the history of the American Legion.

Sincerely yours, Vincet R. Infelitteric

# THE AMERICAN LEGION Department of New York

The Department of New York welcomes you. The hours when the mind is absorbing are the only hours when we really live, so that the longer you remain among attention engaging things, so much more is snatched from idle thought and so much more are you improved.

The interesting City of New York will yield new thought at every step and in spite of its fast moving activities, you will find New York hospitable. Its crowds, its busy traffic, its vast business and Civic propensities all give way to reception time in New York.

This is reception time. These are American reception days . . . your days . . . enjoy every moment of them for New York is truly an American City, a Legion City . . . we know you will enjoy it.

# 33 years ago America's Legionnaires wrote:

"For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom, and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness."

What better purpose could we have today than to re-dedicate ourselves to the aims of this preamble to the Constitution of the American Legion?

BOO Hike Mile Hike WITHOUT A SINGLE BLISTER

The marines have landed! Torn roads, blasted bridges, raging rivers can't hold back the steady, abundant flow of supplies vitally needed for victory. Guns, drugs, plasma, clothes are flown over impassable terrain by Fairchild's battle-proved "Flying Boxcar."

Battle-proved to deliver dependably—with or without an air-field—rugged and versatile for any combat assignment, the Fairchild C-119 lives up to its designers' intentions, giving speed, stamina, and utility under toughest conditions. It never lets our armed forces down! That's why the C-119 is number one all-purpose transport for military airlift operations of the UN forces in Korea, in Europe and in the United States.

# Friendly New York State WELCOMES YOU

# AMERICAN LEGION 34th NATIONAL CONVENTION, AUGUST 25-28

You'll find fun and excitement everywhere in friendly New York State—in bustling big cities, famous shopping districts, theatres, and restaurants. Or you can relax on peaceful side trips through scenic countrysides—mountains, lakes, forests, and seashore are within easy reach. For the sports-minded, New York State offers outstanding fishing and recreational facilities. And there are hundreds of historical landmarks for you to visit. Best of all, you'll like New York State's neighborly people. They'll make you feel right at home.

Yes, there's an exciting variety of things to see and do in New York State. For help in planning your visit or for further information about specific areas, drop in at the New York State Travel Booth at Madison Square Garden or visit the New York State Dept. of Commerce Travel Bureau, 342 Madison Avenue, New York City.

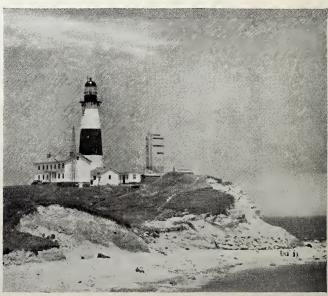

Majestic Whiteface Mountain in the Adirondacks overlooks one of America's favorite summer playgrounds.

The thundering waters of mighty Niagara Falls—a breathtaking sight no words can fully describe.

French, British, and American flags have flown over Fort Ticonderoga, whose history spans three centuries.

Montauk Point at the eastern end of Long Island is noted for its sailing, bathing, and salt-water fishing.

Among our most Cherished Citations . . .

Presentation of American Legion Citation, above. Left to right, Dr. Joseph R. Hawn, New York State Legion; President Lawrence D. Bell; Donald R. Wilson, National Commander, American Legion, and George R. Stott, Chairman, Legion's Employment Committee.

The National American Legion Award to the Bell Aircraft Corporation for...

"its outstanding record in the employment of physically handicapped veterans"

...is one of which we are most proud. The first to be given to any member of the aircraft industry, The Legion Award was presented on November 4, 1951 by the National Commander in his first public appearance. This citation signifies the cooperation between the veterans of New York and Bell where, at the time of the award, there were 4105 veterans employed of whom 943, or 23%, were disabled. In addition,

there were over 300 non-veteran employes who
were disabled, making a total of 1326, or 12%
of the company's entire personnel. It is with pride,
that Bell Aircraft exhibits this citation with those
for scientific and production achievements, as well as

for contributions in the field of human relations in the community and in the nation.

# Getting together to talk things over...

A convention is like the old-time, town hall meeting. It brings men and minds together. Many problems are settled. Many good ideas are born. But it's work.

And when the day's sessions are over, it's good to relax with a cool bottle of Schlitz.

It's America's most distinguished and best-selling beer.

# If you like beer...you'll love Schlitz

The beer that made Milwaukee famous

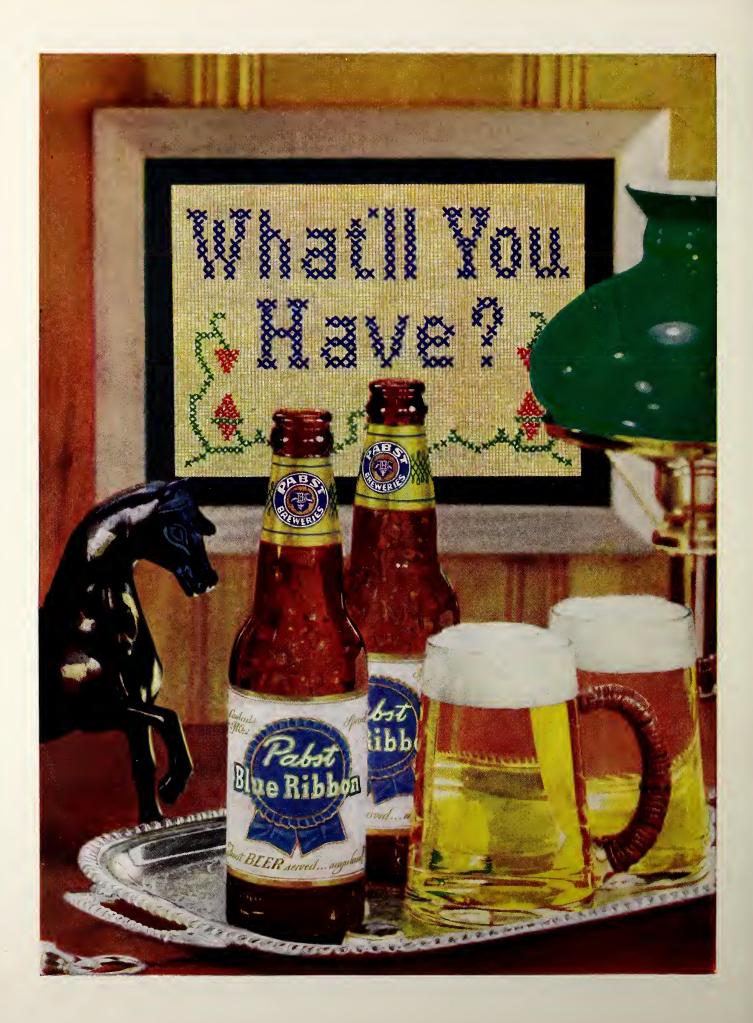

## THE CHOICE OF YOUR LIFETIME, TOO

Just as 'the right girl' comes along, sooner or later the right beer comes along. Through the years, more people have enjoyed more Budweiser than any other beer in history.

Best of luck to the American Legion

The Beautiful New Styleline De Luxe 4-Door Sedan.

### Here's why Chevrolet performs with such wonderful new smoothness:

SMOOTH NEW CENTERPOISE POWER. Engine vibration and power impulses are "screened out" by new high-side mountings.

SMOOTHER POWERGLIDE\*. Smoothest Automatic transmission in its field, teamed with the most powerful valve-in-head engine in its field. New Automatic Choke.

**NEW SOFTER**, **SMOOTHER RIDE**. Knee-Action ride is smoother with new, improved shock absorber action that takes the bounce out of bumps.

SMOOTHER, SAFER STOPS. Jumbo-Drum brakes are the largest in the low-price field for smoother, safer stops. Bonded, rivetless brake linings last nearly twice as long.

You can see it's the smoothest looking Chevrolet that ever came along. Brilliant new styling and colors with fine new De Luxe interiors that are colormatched to the exterior body. But what you can't see is the wonderful new smoothness of performance that springs from important new mechanical improvements. Let your Chevrolet dealer demonstrate Chevrolet's wonderful new smoothness in action. He'll show you, too, that the price is another important advantage, for Chevrolet is the lowest-priced line in its field. No wonder more people buy Chevrolets than any other car! . . . Chevrolet Division of General Motors, Detroit 2, Mich.

\*Combination of Powerglide automatic transmission and extrapowerful valve-in-head engine optional on De Luxe models at extra cost. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Regular Service to Gibraltar—Cannes—Genoa—Naples

Modern-American-Living Goes to sea on these newest, largest, fastest liners in regular Mediterranean service. Shipwide air conditioning with personal climate controls in every room. Polarized portholes that banish glare. Soundproofing. And a host of other ideas for your travel comfort and pleasure. These great 29,500-ton sister ships, together with the other

Sun-Liners... Exeter, Excalibur, Exochorda, Excambion... offer you a continuous, air conditioned Mediterranean express service. And they sail the way of sunny skies and blue, blue seas... the Sun-Lane to all Europe!

A "CLOUDBURST" in this water tunnel proves the effectiveness of Chrysler Corporation's advanced methods of sealing against moisture, dust and drafts. Here complete De Soto

bodies pass high-pressure water jets that douse them from every angle. This is typical of the thoroughness with which all Chrysler Corporation cars are built.

# A CAR'S <u>Body</u> tells a lot about a car's real worth to you

Chrysler Corporation engineers, stylists, and production men work together, so that body and chassis form a perfectly balanced unit—created from the start for your safety, comfort and driving and handling ease.

The way a door latches and holds...the amount of head and leg room you get...the comfort of the seats...breadth of vision...ease of getting in and out—all these are easily read guides to car worth.

In a Plymouth, Dodge, De Soto or Chrysler, you get a superior body—and a superior chassis—engineered to give you the greatest worth for your money.

You can prove this for yourself just by calling your nearby dealer and driving one of these great cars.

ENGINEERS' EYES ARE EVERYWHERE. Out of their laboratories and on to the production lines go Chrysler Corporation engineers, to follow through each step in body construction. Here an engineer studies the double welding of a Dodge body, one of the many things that mean safer and quieter cars, with windows that work easily, doors and panels that stay solid and free from rattles.

**THE NEW C-200.** New advanced body designs are created by Chrysler to learn from experience practical applications of entirely new concepts of style and comfort, fabrics and fittings, performance and safety. The Chrysler C-200 is the prototype of a dramatic new convertible.

## The Farmer General

THE INDIAN TRAIL which once led past Israel Putnam's birthplace has given way to a crowded turnpike; the town, formerly Salem Village, is now Danvers, Massachusetts; but the house has withstood the onslaught of time and change and last year had its 300th anniversary. It was built in 1648 by Thomas Putnam, son of the foun-

Just as they were preparing to burn him alive he was rescued.

For a time Putnam lived peacefully on his Connecticut farm and augmented his income by operating a tavern where patriots used to congregate in the stirring days before the Revolution. Then in April, 1775, came the incident known to every school child. The news from Lexington reached him while he was at work in the fields. Laying down the plough and unyoking the oxen, he immediately set off to fight for freedom. At the Battle of Bunker Hill it was General Putnam who uttered the memorable command to his men, "Don't fire until you see the whites of their eyes."

Another of "Old Put's" exploits which has become part of the American legend took place on his farm where a savage wolf and her whelps had killed seventy of his sheep and goats. With a torch in one hand and his musket in the other, he drove her

into a cave into which his neighbors lowered him by his feet. There he slew the ferocious beast and brought her carcass to the surface.

Israel Putnam's birthplace is now enclosed by one of the four leaves of a huge clover-leaf traffic circle which was especially designed to spare the ancestral home. The present owner, who founded three wellknown private schools in New England, has devoted a half century to the maintenance and restoration of the house. It is occupied by one of her sons whose child represents the tenth generation of Putnam descendants to live there. The Putnam homestead claims the distinction of being the oldest house in the country to have remained in the continued possession of one family.

self the grandfather of Israel who was born there in 1718.

Soon after his marriage to Hannah Pope

Soon after his marriage to Hannah Pope in 1738, Israel moved to Pomfret, Connecticut, later renamed Brooklyn, where he be-

der of the family in this country, and him-

came a prosperous member of the community. Enlisting as a volunteer during the French and Indian Wars, he was soon commissioned second lieutenant and joined Rogers' Rangers. One of many narrow escapes in his eventful life occurred when Indians took him captive and tied him to a tree.

The Home, through its agents and brokers, is America's leading insurance protector of American homes and the homes of American industry.

JUST 9 months after the Army placed the order, GMC built and delivered the first of the revolutionary new M-135's shown above—the world's first military trucks with fully automatic drive.

This unique new "six by six" has no clutch pedal or gearshift, yet it pulls a five-ton load up a sixty per cent grade without faltering—fords streams with water hood high—accomplishes things that no other truck has ever been able to do before.

Equipped with General Motors Dual-Range Eight-Speed Hydra-Matic Transmission—this great new Army truck automatically gears power to load and demand. The driver need only step on the gas and steer—the truck shifts for itself!

The amazing M-135 is but one of many new GMC products that will pattern future truck engineering.

It's one more proof that GMC sets the pace in truck progress!

# Pan American Clippers\* are ready for double duty— civilian or military!

• Today Clippers are proving they are an integral part of America's air arm—mobilized for emergency, even in the midst of civilian operations.

Every 24 hours Pan American Clippers log an average of almost 163,000 miles... more than six times the distance around the world at the equator. More than twice as many double-decked "Strato" Clippers are flown by Pan American World Airways as by any other airline.

You can fly to all six continents—to 68 countries and colonies—by the World's Most Experienced Airline. Remember, last year, as in all previous years, more people traveled overseas by Pan American than by any other airline. And in aviation, experience makes the difference!

### AMERICAN LEGION

Over the years we have enjoyed the privilege of handling many an American Legion convention trip or special tour.

#### 1952 is no exception.

For this year we're happy and proud to be associated with the Official Pilgrimage to Europe and to be privileged to handle all arrangements for these 5 great special tours.

So... from one "American" to another... welcome to New York! Have a swell convention. And we hope to see you on the pilgrimage.

# We bring the outdoors inside

A leisurely visit to our store is the closest facsimile to actual life and play outdoors.

To the angler, our tackle room is a reminder of happy hours on the trout stream. The gunner recalls the wonderful double when he brought down two Canadian geese. Boats sail on white-capped water in the imagination of the yachtsman...

Whatever your favorite out door sport, be sure we have everything available for your requirements.

Why do so many WORLD TRAVELERS prefer PAL?

★ Some like the **comfort** of PAL's luxurious DC-6 sleeper planes: the pressurized air-conditioned cabin...and spacious berths or comfortable reclining lounge chairs.

★ Some enjoy PAL's famed personalized service: the complimentary refreshments, snacks and excellent hot meals—the warm, friendly hospitality that is PAL's way of saying you're not just a passenger, but an honored guest!

★ Others prefer PAL for its modern, dependable Douglas **DC-6** equipment. Flying millions of miles each year, PAL has earned an enviable reputation for consistently reliable operation over the world's international air routes.

How to break the ice. A welcome way, at this time of year, is to suggest a tall and frosty mint julep. And it's *especially* welcome if you make it with that perfect julep whiskey—Four Roses. For, so many people prefer Four Roses that it outsells <u>every</u> other whiskey at or above the Four Roses price—even outsells <u>most</u> other whiskies at <u>any</u> price.

Frankfort Distillers Corporation, New York. Blended whiskey. 86.8 proof. 60% grain neutral spirits.

Wouldn't you rather drink Four Roses
